

MESSAGE BOARDS

Sunray 390

Traffic safety is the driving force behind National Signal's Sunray Solar LED portable changeable message signs (PCMS).

These environmentally friendly products harness the power of the sun and use the latest in light emitting diode (LED) technology to generate messages for traffic safety and management.

- *AllnGaP LED technology*
- *Hundreds of pre-programmed messages, MUTCD messages, and operator-created messages*
- *Environmentally friendly*
- *Cost effective*
- *Reliable and easy to operate*
- *Meets MUTCD traffic safety specifications*

Optional electric slide positions sign almost 2' from traffic

National Signal's Display Products brand offers a complete line of products that provide contractors and state transportation authorities with the quality products they need to ensure regulatory compliance on their road and bridge projects.
