

# 15" Digital Radar Speed Sign Trailer

Model: RS-15TRL

## Solar Powered Radar Speed Sign Trailer

The RS-15TRL Solar-Powered Radar Speed Sign Trailer is a versatile portable radar trailer designed for various applications. Whether it's deployed at a construction site or on community streets, the trailer is constructed to withstand challenging conditions.

This innovative product provides drivers with real-time feedback on their speed featuring a high visibility 15" LED display, double sided Maximum Speed Sign with positioning winch, Industrial Grade 80W solar panel and HD Grade trailer construction. The RS-15TRL is also equipped with advanced data logging & programming capabilities with a simple wireless connection.

FoxCanada is an ISO9001:2015 Certified Company.
