# Sunray 90

Available in two sizes, 38 x 75 and 50 x 88, the SR90 can fit in almost any space. Utilizing our touch tablet control, you can easily create new messages, combine graphic messages with text, schedule messages to run at specific times, and select quick messages with just one touch.

The SR90 is also available in optional hydraulic lift and can be fitted with our optional remote package for long distance management.

Find out more about the great features in this small package sign.

National Signal's new Sunray 90 is a great choice for urban applications or tight locations where space is a concern.

The SR90 is a full matrix sign that is available in two sizes and has almost all the features of our popular SR 90. Its compact design makes it ideal for tight street locations or places where a larger sign just won't do.
