

FALL PROTECTION RECERTIFICATION

FALL PROTECTION RECERTIFICATION

Fall protection is an important aspect of any job site, protecting workers from serious injury relating to fall hazards. FoxCanada can inspect your Fall Protection equipment to verify that it is safe to use. Inspection can be done on-site or off-site.

Fall protection and fall rescue equipment are inspected on a regular basis not to exceed one year (or sooner if required by manufacturer instructions).

Provides inspection of ALL makes and models of fall protection, including:

- ✓ Anchorage
- ✓ Body Wear (Harnesses)
- ✓ Connecting Devices (Lanyards, SRLs)
