

# EMERGENCY LIGHTING INSPECTION

## Emergency Lighting Inspection

Emergency Lighting ensures that adequate lighting is provided when the power supply to the normal lighting fails. This will ensure that occupants of the building are able to evacuate safely in the event of an emergency.

FoxCanada offers annual Emergency Lighting Inspection to ensure that all the parts of the equipment are functioning properly.

FoxCanada offers the following servicing:

- ✓ Annual inspection
- ✓ Ensuring the lights are functioning
- ✓ Ensuring all lights are facing correct locations
