

ON-SITE FIT TESTING

ON-SITE FIT TESTING

FoxCanada offers On-Site Fit Testing Services to ensure even the busiest customers are certified and protected. Fit Testing can be completed at any location and FoxCanada works to accommodate all schedules. Fit Testing should be completed prior to using a respirator for the first time, at least once every two years, and in the occurrence of physical change that would affect the seal.

- ✓ Convenient, portable testing machine
- ✓ Fit Testing completed at one or more locations, if needed
- ✓ Testing is brief and uncomplicated
- ✓ Machine rental also available
