

MESSAGE BOARDS

Sunray 490

National Signal continues to innovate with the addition of our mid-size 'full matrix' message sign.

The SR490 combines the features of our large and small signs into a convenient package that delivers great legibility in a compact easy to use package. Available in manual lift or optional hydraulic lift

- *AllnGaP LED technology*
- *Hundreds of pre-programmed messages, MUTCD messages, and operator-created messages*
- *Environmentally friendly*
- *Cost effective*
- *Reliable and easy to operate*
- *Meet or exceed all state and federal highway MUTCD traffic safety specifications*
- *Replace characters without the need of tools*
- *5 LED's per pixel*

With our newly positioned control there is no more kneeling or bending over to program your message.

And now, you can see your message while you program. No more walking around the sign.

Find out more about the other great features of our SR490.
